the Company shall have no obligation to update any disclosure related thereto, and (ii) the representations and warranties of the Additional Purchasers in Section 4 hereof shall speak as of such Additional Closing. This Agreement, including without limitation, the Schedule of Purchasers, may be amended by the Company without the consent of Purchasers to include any Additional Purchasers upon the execution by such Additional Purchasers of a counterpart signature page hereto. Any Notes sold pursuant to this Section 2.2 shall be deemed to be “Notes,” for all purposes under this Agreement and any Additional Purchasers thereof shall be deemed to be “Purchasers” for all purposes under this Agreement.

3. REPRESENTATIONS, WARRANTIES THE COMPANY

The Company hereby represents and warrants to each Purchaser as of the Closing as follows:

3.1. Organization, Good Standing and Qualification. The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware. The Company has the requisite corporate power to own and operate its properties and assets and to carry on its business as now conducted and as proposed to be conducted. The Company is duly qualified and is authorized to do business and is in good standing as a foreign corporation in all jurisdictions in which the nature of its activities and of its properties (both owned and leased) makes such qualification necessary, except for those jurisdictions in which failure to do so would not have a material adverse effect on the Company or its business.

3.2. Corporate Power. The Company has all requisite corporate power to execute and deliver this Agreement, to issue each Note (collectively, the “*Loan Documents*”) and to carry out and perform its obligations under the terms of the Loan Documents.

3.3. Authorization. All corporate action on the part of the Company, its directors and its stockholders necessary for the authorization of the Loan Documents and the execution, delivery and performance of all obligations of the Company under the Loan Documents, including the issuance and delivery of the Notes and the reservation of the equity securities issuable upon conversion of the Notes (collectively, the “*Conversion Securities*”) has been taken or will be taken prior to the issuance of such Conversion Securities. The Loan Documents, when executed and delivered by the Company, shall constitute valid and binding obligations of the Company enforceable in accordance with their terms, subject to laws of general application relating to bankruptcy, insolvency, the

relief of debtors and, with respect to rights to indemnity, subject to federal and state securities laws. The Conversion Securities, when issued in compliance with the provisions of the Loan Documents will be validly issued, fully paid and nonassessable and free of any liens or encumbrances and issued in compliance with all applicable federal and securities laws.

3.4. Governmental Consents. All consents, approvals, orders, or authorizations of, or registrations, qualifications, designations, declarations, or filings with, any governmental authority, required on the part of the Company in connection with the valid execution and delivery of this Agreement, the offer, sale or issuance of the Notes and the Conversion Securities issuable upon conversion of the Notes or the consummation of any other transaction contemplated hereby shall have been obtained and will be effective at such time as required by such governmental authority.

3.5. Compliance with Laws. To its knowledge, the Company is not in violation of any applicable statute, rule, regulation, order or restriction of any domestic or foreign government or any instrumentality or agency thereof in respect of the conduct of its business or the ownership of its properties, which violation would materially and adversely affect the business, assets, liabilities, financial condition or operations of the Company.

3.6. Compliance with Other Instruments. The Company is not in violation or default of any term of its certificate of incorporation or bylaws, or of any provision of any mortgage, indenture or contract to which it is a party and by which it is bound or of any judgment, decree, order or writ, other than such violations that would not individually or in the aggregate have a material adverse effect on the Company. The execution, delivery and performance of the Loan Documents, and the consummation of the transactions contemplated by the Loan Documents will not result in any such violation or be in conflict with, or constitute, with or without the passage of time and giving of notice, either a default under any such provision, instrument, judgment, decree, order or writ or an event that results in the creation of any lien, charge or encumbrance upon any assets of the Company or the suspension, revocation, impairment, forfeiture, or nonrenewal of any material permit, license, authorization or approval applicable to the Company, its business or operations or any of its assets or properties. The sale of the Notes and the subsequent issuance of the Conversion Securities are not and will not be subject to any preemptive rights or rights of first refusal that have not been properly waived or complied with.

3.7. Offering. Assuming the accuracy of the representations and warranties of the Purchasers contained in Section 4 hereof, the offer, issue, and sale of the Notes and the Conversion Securities (collectively, the “*Securities*”) are and will be exempt from the registration and prospectus delivery requirements of the Securities Act of 1933, as amended (the “*Act*”), and have been registered or qualified (or are exempt from

registration and qualification) under the registration, permit, or qualification requirements of all applicable state securities laws.

3.8. Use of Proceeds. The Company shall use the proceeds of sale and issuance of the Notes for the operations of its business, and not for any personal, family or household purpose.

4. REPRESENTATIONS AND WARRANTIES OF THE PURCHASERS

4.1. Purchase for Own Account. Each Purchaser represents that it is acquiring the Securities solely for its own account and beneficial interest for investment and not for sale or with a view to distribution of the Securities or any part thereof, has no present intention of selling (in connection with a distribution or otherwise), granting any participation in, or otherwise distributing the same, and does not presently have reason to anticipate a change in such intention.

4.2. Information and Sophistication. Without lessening or obviating the representations and warranties of the Company set forth in Section 3, each Purchaser hereby: (i) acknowledges that it has received all the information it has requested from the Company and it considers necessary or appropriate for deciding whether to acquire the Securities, (ii) represents that it has had an opportunity to ask questions and receive answers from the Company regarding the terms and conditions of the offering of the Securities and to obtain any additional information necessary to verify the accuracy of the information given the Purchaser and (iii) further represents that it has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risk of this investment.

4.3. Ability to Bear Economic Risk. Each Purchaser acknowledges that investment in the Securities involves a high degree of risk, and represents that it is able, without materially impairing its financial condition, to hold the Securities for an indefinite period of time and to suffer a complete loss of its investment.

4.4. Further Limitations on Disposition. Without in any way limiting the representations set forth above, each Purchaser further agrees not to make any disposition of all or any portion of the Securities unless and until:

(a) There is then in effect a Registration Statement under the Act covering such proposed disposition and such disposition is made in accordance with such Registration Statement; or

(b) The Purchaser shall have notified the Company of the proposed disposition and shall have furnished the Company with a detailed statement of the circumstances surrounding the proposed disposition, and if reasonably requested by the Company, such Purchaser shall have furnished the Company with an opinion of counsel,

reasonably satisfactory to the Company, that such disposition will not require registration under the Act or any applicable state securities laws, provided that no such opinion shall be required for dispositions in compliance with Rule 144, except in unusual circumstances.

(c) Notwithstanding the provisions of paragraphs (a) and (b) above, no such registration statement or opinion of counsel shall be necessary for a transfer by such Purchaser to a partner (or retired partner) or member (or retired member) of such Purchaser in accordance with partnership or limited liability company interests, or transfers by gift, will or intestate succession to any spouse or lineal descendants or ancestors, if all transferees agree in writing to be subject to the terms hereof to the same extent as if they were Purchasers hereunder.

4.5. Accredited Investor Status. Each Purchaser is an “accredited investor” as such term is defined in Rule 501 under the Act.

5. FURTHER AGREEMENTS

5.1. “Market Stand-Off” Agreement. Each Purchaser agrees that such Purchaser shall not sell, transfer, make any short sale of, grant any option for the purchase of, or enter into any hedging or similar transaction with the same economic effect as a sale, any Common Stock (or other securities) of the Company held by such Purchaser (other than those included in the registration) during the 180-day period following the effective date of the Company’s first firm commitment underwritten public offering of its Common Stock registered under the Securities Act (or such longer period as the underwriters or the Company shall request in order to facilitate compliance with FINRA Rule 2711 or NYSE Member Rule 472 or any successor or similar rule or regulation), provided that all officers and directors of the Company are bound by and have entered into similar agreements. Each Purchaser agrees to execute and deliver such other agreements as may be reasonably requested by the Company or the underwriters that are consistent with the Purchaser’s obligations under Section 5.1 or that are necessary to give further effect to this Section 5.1. In addition, if requested by the Company or the representative of the underwriters of Common Stock (or other securities) of the Company, each Purchaser shall provide, within 10 days of such request, such information as may be required by the Company or such representative in connection with the completion of any public offering of the Company’s securities pursuant to a registration statement filed under the Act. The obligations described in this Section 5.1 shall not apply to a registration relating solely to employee benefit plans on Form S-1 or Form S-8 or similar forms that may be promulgated in the future, or a registration relating solely to a transaction on Form S-4 or similar forms that may be promulgated in the future.

5.2. Further Assurances. Each Purchaser agrees and covenants that at any time and from time to time it will promptly execute and deliver to the Company such further instruments and documents and take such further action as the Company may reasonably

require in order to carry out the full intent and purpose of this Agreement and to comply with state or federal securities laws or other regulatory approvals.
